| 1990           | \$2,222,700                  | \$1,134,500          |
| 1991           | \$2,224,648                  | \$910,448            |
| 1992           | \$4,207,011                  | \$1,799,739          |
| 1993           | \$4,429,829                  | \$1,754,924          |
| 1994           | \$3,347,903                  | \$1,119,374          |
| 1995           | \$5,708,471                  | \$2,310,576          |
| 1996           | \$4,459,018                  | \$2,352,430          |
| 1997           | \$4,121,371                  | \$1,897,516          |
| 1998           | \$4,298,962                  | \$1,588,536          |
| 1999           | \$3,083,317                  | \$1,585,521          |
| 2000           | \$3,989,236                  | \$2,224,662          |
| 2001           | \$4,561,274                  | \$2,159,876          |
| 2002           | \$5,413,550                  | \$1,954,850          |
| 2003           | \$6,584,650                  | \$2,804,020          |
| 2004           | \$6,515,417                  | \$2,752,244          |
| 2005           | \$5,923,563                  | \$2,230,511          |
| 2006           | \$7,478,034                  | \$2,437,874          |
| 2007           | \$7,352,988                  | \$2,644,517          |
| 2008           | \$6,962,082                  | \$3,320,838          |
| 2009           | \$6,833,701                  | \$3,233,417          |
| 2010           | \$7,539,556                  | \$3,500,786          |
| 2011           | \$6,625,495                  | \$3,741,863          |
| 2012           | \$7,539,906                  | \$3,096,052          |
| 2013           | \$7,751,702                  | \$3,381,676          |
| 2014           | \$9,037,403                  | \$4,240,492          |
| 2015           | \$9,841,968                  | \$5,204,471          |
| 2016           | \$8,811,633                  | \$3,834,195          |
| 2017           | \$8,557,985                  | \$4,217,141          |
| 2018           | \$8,064,930                  | \$3,538,196          |
| 2019           | \$6,677,132                  | \$2,500,304          |
| 2020           | \$12,575,492                 | \$4,967,308          |
| 2021           | \$10,703,525                 | \$4,548,935          |
| <b>2022</b>    | <b>\$12,663,455</b>          | <b>\$5,026,834</b>   |
| <b>Average</b> | <b>\$6,548,724</b>           | <b>\$2,848,928</b>   |

**Notes:**

(Draft 5/10/22)

Total Offers All Colleges= total gift aid, grants and scholarships offered by all sources

College Attending = total gift aid, grants and scholarships offered by the college that the student will attend, including additional scholarships earned to be used at that college

There have been 2188 total KAMSC graduates, data is student reported

The original Upjohn Company investment in KAMSC was \$2,000,000

This money stays with KAMSC families & is available to support the Kalamazoo economy
